## Vincentian Family Prayer for a World in Need

*The Executive Committee of the Vincentian Family invites you to join in a moment of prayer on Facebook Live, to ask God in community for a world that faces serious challenges and suffers from serious global problems.*

The meeting will take place on Sunday, July 12, at 3 pm in the afternoon (EDT, New York time), or, which is the same, 9 pm at night (CET, Madrid, Rome or Paris time).

The meeting will be broadcast on the OzanamTV Facebook channel <https://www.facebook.com/ozanamtv>

Several Superiors General and Presidents of different branches of the Vincentian Family will be present on this occasion. The musical group Gen Verde International Performing Arts Group of the Focolare Movement will also accompany us. But, most importantly ... we will come together to ask God to send his Spirit and renew this land wounded by the pandemic, selfishness, racism and so many other serious problems that afflict, above all, the poor, "our masters and lords".

**Your presence is very important.**

**Do not forget the date!**

**We are counting on you!**
